Eye Consultants of Texas accepts the charge determination of the Medicare carrier as the full charge, and I am responsible only for the deductible, coinsurance and non-covered services and/or items. Coinsurance and deductible are based upon the charge determination of the Medicare Carrier.

2. MEDIGAP: I understand that if a MediGap policy or other health insurance is indicated in Item 9 of the CMS-1500 form or elsewhere on other approved claim forms, my signature authorizes release of the information to the insurer or agency shown. I request that payment of authorized secondary insurance benefits be made on my behalf to Eye Consultants of Texas if possible or otherwise to me.

3. RELEASE OF INFORMATION: Eye Consultants of Texas may disclose all or any part of my medical record and/or financial ledger, including information regarding alcohol or drug abuse, psychiatric illness, communicable disease, or HIV, to any person or corporation (1) which is or may be liable or under contract to Eye Consultants of Texas for reimbursement for services rendered, and (2) any health care provider for continued patient care. Eye Consultants of Texas may also disclose on an anonymous basis any information concerning my case, which is necessary or appropriate for the advancement of medical science, medical education, medical research, for the collection of statistical data or pursuant to State or Federal law, statute or regulation. A copy of this authorization may be used in place of the original.

A list of such plans is available from the business office and that Eye Consultants of Texas has no contract, expressed or implied, with any plan that does not appear on the list. The undersigned agrees that I am individually obligated to pay the full charges of all items and/or services rendered to me by Eye Consultants of Texas if I belong to a plan that does not appear on the above mentioned list.

5. NON-COVERED SERVICES AND ITEMS: I understand that Eye Consultants of Texas contracts with health care service plans (i.e., HMOs, PPOs) relate only to items and services which are covered by the health care service plans. Examples of non-covered services include, but are not limited to, services not specified as being covered in the patient's contract with a health care service plan or in the benefit summary the health care service plan furnishes to the patient and treatment or tests not authorized by the health care service plan. The undersigned agrees to cooperate with Eye Consultants of Texas to obtain necessary health care service plan authorizations.
